Invitation For Bid No. 16-070-CP, Englandtowne Stormwater Pond Retrofit and Outfall Project

Addendum #2

This addendum contains revisions, clarifications, and information pertinent to the IFB for the referenced project and shall supplement, amend, and become part of the IFB for the title project and contract. All bids shall be based on this Addendum, in accordance with the IFB documents.

Acknowledgment of this addendum shall be submitted with the bid, including addendum number and date. Failure to acknowledge addendum may subject the contractor to disqualification.

Due: Bids will be accepted until 3:00 PM EST on Friday, November 6, 2015.

QUESTIONS:

1. **Question:** On the front page of the plans, it states that the owner/developer "shall engage a registered professional engineer to supervise pond construction..."; however, in section 1.5 of the general requirements, it states that "a registered professional engineer, engaged by the contractor, will supervise construction of all storm water management facilities...", which is correct?

Answer: The registered professional engineer shall, in both cases, be engaged by the contractor.

REVISIONS:

1. The due date for sealed bids specified in the Invitation For Bid has been changed. Sealed bids will now be received until 3:00 PM EST on November 6, 2015.

Except as noted herein, all terms and conditions of the document referenced, as heretofore changed, remain unchanged and in full force and effect.

Bruce Johnson, Project Manager IV
Department of Procurement & Contracting
